

OUR PRACTICE

Education

Baker Donelson's Education Group, comprised of more than 40 attorneys, has extensive experience advising colleges, universities, academic medical centers, independent schools, charter schools and other educational institutions throughout the United States.

We regularly provide guidance and counsel on the following areas:

- Strategic advice
- Labor and employment
- Immigration
- Student discipline
- Title IX
- Internal investigations
- Real estate, public finance and construction
- Intellectual property
- Privacy and information security
- Policies and training
- Tax
- Health care
- Lobbying
- Regulatory
- Training

Visit our [Higher Education](#) and [Independent Schools and Charter Schools](#) pages to learn more about our specific capabilities.
